

Planning Commission Annual Reports

As required by the Michigan Planning Enabling Act (MPEA), Public Act 33 of 2008, as amended, the Planning Commission is required to submit a report of its annual activities. In addition to fulfilling this requirement, the Annual Report increases information-sharing between staff, boards, commissions, and the governing body and allows for the anticipation of upcoming priorities. The Commission's Annual Report is a summary and status report of planning activities over the past year and is a communication tool to share recent achievements and plans for future community goals.

Below are copies of the most recent Planning Commission Annual Reports and Work Plans.
