

**VILLAGE OF LAKE ORION
PUBLIC NOTICE**

NOTICE TO USERS OF LAKE ORION

NOTICE IS HEREBY GIVEN: that beginning the week of October 23RD 2023, the level of Lake Orion will be slowly lowered about one (1') foot to reach the normal low water mark for Winter. Lowering will not flood Paint Creek and the lowering will be completed by the third Friday in November (November 17, 2023).

PLEASE NOTE THAT ANNUAL 1 FOOT LOWERING IS NOT CONTINGENT ON WHETHER OR NOT THE LAKE DRAWDOWN OCCURS.

This notice is being given as a courtesy to residents to allow for safe removal of all water crafts from Lake Orion.

NOTE: This is NOT to be confused with the "drawdown" that takes place every five (5) years for dock and seawall repairs.

Wesley Sanchez,
Director of Public Works
