

About The Village of Lake Orion

The Village of Lake Orion is located in the northern portion of Oakland county, southeast Michigan. While part of the larger Detroit metropolitan area and facing growth pressures, the Village continues to grow in a sustainable manner. Established in 1859 on the shore of Lake

Orion, the Village stands apart from other communities, boasting an historic downtown, well-established residential neighborhoods, and natural resources with abundant lakefront and rivers. Lake Orion is surrounded by Orion Township with the Village of Oxford approximately 3 miles north and the City of Auburn Hills located about 6 miles to the south. The primary transport route is State Highway 24 (M-24) which acts as a center dividing line for the community, separating the waters of Lake Orion from the historic downtown located just east of M-24.

The village was first settled in the early 1820s by Judah Church and Moses "Samuel" Munson. Munson built a sawmill in town in 1825, and the Village was incorporated in 1859.
